

Our Mission

To manage and care for the schoolhouse site, historic artifacts, and grounds, and to provide a venue for community gatherings as originally intended by the founders.

The Missouri Heights Community League is an all-volunteer non-profit 501(c)3 organization formed in 1963 to preserve the Missouri Heights Schoolhouse located at 498 CR 102 Rd. The schoolhouse is on the registers of both the Colorado and the National Historical Societies.

We always need your help!

Please donate and help us preserve the history of Missouri Heights by keeping the schoolhouse properly maintained.

The schoolhouse is always in need of maintenance. Our current projects are focused on:

- Repairing the old historic fencing
- Repairing the ADA hand rail along the front sidewalk
- Installing exterior safety lighting on both buildings
- Minor landscaping improvements

We also have copies of Anita Witt's book, ***They Came from Missouri***, which chronicles life on Missouri Heights in the 1900's. It's a fantastic read of local history. Please let us know if you'd like a copy at \$5.00 each.

For more information please email us at info@mhschoolhouse.org

We truly value any amount you can give!
